

# **EMERGENCY MANAGEMENT IN PARTNERSHIP WITH ENVIRONMENTAL RESOURCES**

Help protect your home from a wildfire by having a DEFENSIBLE SPACE. During our Community Cleanup Day we will be providing a way for you to clean up those weeds and branches. At Steamboat village we will have a trailer. For the other villages there will be a dumpster available down at the Kaibab Village near the warehouse. .. If you need assistance loading or have questions please call or e-mail  
Meghann Olson ([Molson@kaibabpaiute-nsn.gov](mailto:Molson@kaibabpaiute-nsn.gov)) or
